

Technical drawing of a U-shaped component. The drawing shows a side view of the component with the following dimensions and features:

- Overall width: 195 mm
- Left flange width: 89 mm
- Right flange width: 70 mm
- Top flange thickness: 10 mm
- Distance from left flange to first hole: 90 mm (185 mm total distance between holes)
- Distance between holes: 133 mm
- Distance from second hole to right flange: 5 mm
- Hole specification: 2- $\phi 5$

注意 1) 全周バリ取り、キズ・ダコンのないこと
2) 曲げ加工は最小曲げRで行うこと

[illegible]
